Questionnaire for 2/26/16

Please answer these question on a different sheet from your HW, you may use this one & make sure to <u>put your name on it</u>.

1. How do you think you are doing with semester 2 math?

2. What can I do to help you learn in this class?

3. What math class are you thinking of taking next year?

4. How many years of math do you want to take in high school? What is your goal class to reach? (i.e. Pre-calculus, Algebra 2, IB, Calculus)
